

# USER MANUAL- THE JOB PANEL

The website THE JOBPANEL starts with this home page. This is (an open source page) from the site <http://startbootstrap.com/template-overviews/creative/> . This is a responsive single page landing home page. Further screenshots of the same page are given below:

## 2. SIGNUP/LOGIN PAGE:

This is the signup/login page. The user enters this page after pressing the GET STARTED button on the index page. It is an open source template form site

<https://codepen.io/ehermanson/pen/KwKWEv>. Its license has been included in the web site. It has been customized and made into multi page form for the website.
